Education

Vellore Institute of Technology, Bhopal

Sept 2022 – May 2026

Bachelor of Technology in Computer Science and Engineering

Bhopal, Madhya Pradesh

10th Standard:- A.R.S. Vidya Mandir Sr. Sec. School,
Sagar road, Bikaner 2018

RBSE Cumulative GPA: 8.03/10

12th Standard:-

Shekhawati Sr. Sec. School, Losal, Sikar, Rajasthan
2020

RBSE Cumulative GPA: 8.3/10

Technical Skills

Languages: Python, C++ basics, Java, SQL, JavaScript (Node.js)

Technical Skills: Computer Networking Fundamentals, Operating Systems, Data Structure & Algorithm, Data Science

Development Tools: Git/GitHub, API integration, VS Code/IDE

Web Development: HTML, CSS, JavaScript, ReactJs

Projects

Plant Disease Detection System | Python, OpenCV, NumPy, Machine Learning, Image Processing, Classification

- Developed a Plant Disease Detection System to identify crop diseases from leaf images using image processing techniques.
- Implemented machine learning-based classification to detect healthy and diseased plants accurately.
- Used Python with OpenCV and NumPy for image preprocessing, feature extraction, and prediction.
- Improved early disease identification to help farmers reduce crop loss and improve yield.

Health2Go: Personalised Symptom Based Health | MySQL, Php and Bootstrap, Html, CSS, JavaScript

- Ability to accept the appointment by the doctor to acknowledge the patient that their appointment has been approved.
- The password should be encrypted and User should not be allowed to register if he/she tries to provide the already registered email ID.
- Bug fix - Bill payment receipt contains multiple record if the patient has associated with the same doctor multiple times.

Extracurricular Activities

-Cultural and Language Groups: Hindi, English

- Sports Enthusiast - Involved in various sports activities throughout the college
(Cricket Team Member).

Certifications

- The Bits and Bytes of Computer Networking, Google, Completed [Dec 2023]
- Marketing Analytics, NPTEL, Completed [April 2025] Cloud Computing,
- NPTEL, Completed [May 2024] python programming (Vityarthi)
